- National Development, State swimmers are expected to enter a minimum of 3 targeted meets leading up to Victorian Age Shortcourse Champs.
- Junior State swimmers are expected to attend a minimum of 3 targeted meets each term.
- Emerging squad members are requested to enter designated meets as per the schedule or as determined by your coach.
- Development Squad would normally be offered 2 targeted meets, where attendance is highly encouraged.
- Squad members who qualify to compete at State Championship Meets are expected, not only to enter the meet, but enter all of the events that they qualify in.
